WHAT I BRING

- Problem-Solving in Action: Simplified complex grammar rules for 50+ students, now breaking down coding challenges the same way
- Remote-Ready & Self-Managed: Successfully delivered 50+ translation projects independently under tight deadlines.
- Bridge Between Tech & User: 7+ years of teaching experience = knowing how to explain technical concepts to non-technical people.
- Collaborative Team Player: Extensive experience working in professional team environments (Education & Publishing)

EXPERIENCE

● ENGLISH TRANSLATOR

FREELANCE

Demonstrated high attention to detail and accuracy in translating complex technical and literary texts.
Managed time-sensitive projects, ensuring deadlines were met with high quality

● OFFICE EMPLOYEE

JANGAL PUBLICATIONS

Collaborated within a professional, international-standard team to streamline communication and data management.
Developed strong organizational and problemsolving skills in a fast-paced environment.

● ENGLISH TEACHER

SAHAR ENGLISH LANGUAGE INSTITUTE

Developed the ability to break down complex concepts into simple, understandable steps—a skill I now apply to technical problem-solving and coding.
Managed team projects and student performance evaluations, demonstrating leadership and collaborative skills.
